**The Centennial Lane Band & Orchestra Boosters and Baltimore Brass Company are providing a summer camp experience for interested students. While this camp is open to everyone with at least one year of playing experience, it is especially recommended for students who have been playing their instruments for one to three years.**

**Our goal is to provide young musicians with an enriching musical experience. Our camp gives students an opportunity to improve their individual and ensemble playing skills, to learn exciting new music and to meet new friends. Last year, over 75 young musicians enrolled in the camp. Here's what a few of the students had to say:**

***"I had a blast at band camp! I learned so much and made many friends. I like that the middle and high school counselors helped me and the younger kids since they have much more experience. I can't wait to see my friends again at camp!"***

***David Pang, 5th grade trombonist***

***"The Centennial Lane Band Camp is probably the best camp you will ever go to. You make a lot of new friends and learn how to improve on your instrument. The music is challenging, but it's amazing what a band like the one at this camp can pull off in two weeks!"***

***Sarah Arcuri, 5th grade clarinetist***

**Students should bring a snack and a drink in a non-breakable container each day of the camp.**

***"Band Camp is AWESOME! One of the many great things about this camp is that it provides a challenge to beginners and those beginners can also get help from experienced counselors. We perform a concert on the last day of camp and get a really cool t-shirt."***

***Carter Matties, 6<sup>th</sup> grade trumpeter***

***"I had a great time at the Centennial Lane Band Camp. During the two weeks, you will improve your technique, tone and more with counselors who are great instructors. Also, there are many fun things to do, such as eating pizza and a Slip 'N Slide. At the end, there is a concert where you perform many fun pieces. You are making a mistake not going to this camp!"***

***Chris Lidard, 6<sup>th</sup> grade tubist***
